Independent Auditor's Report

Board of Directors
NEWCAP, Inc.
Oconto, Wisconsin

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of NEWCAP, Inc. and Subsidiary (the "Organization") which comprise the consolidated statement of financial position as of December 31, 2019, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement. The financial statements of NEWCAP Village on Water, LLC were not audited in accordance with *Government Auditing Standards* as the entity did not receive federal funding.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of NEWCAP, Inc. and Subsidiary as of December 31, 2019, and the changes in their net assets and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States.

Other Matters

Supplementary Information

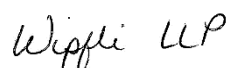

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal and state awards, Schedule A-1 to A-3 as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and the *State Single Audit Guidelines*, issued by the Wisconsin Department of Administration, schedule of emergency furnace by contract, and the settlement of DHS cost reimbursement award are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

We also have previously audited, in accordance with auditing standards generally accepted in the United States, the consolidated statement of financial position of NEWCAP, Inc. as of December 31, 2018, and the related consolidated statements of activities and cash flows for the year then ended (none of which is presented herein), and we expressed an unmodified opinion on those audited consolidated financial statements in our report dated June 25, 2019. That audit was conducted for purposes of forming an opinion on the consolidated financial statements as a whole. The supplementary schedule on page 22 is presented for purposes of additional analysis. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the December 31, 2018, consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of those consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the prior year expenses included on the supplementary schedule on page 22 is fairly presented, in all material respects, in relation to the consolidated financial statements from which it has been derived.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated July 24, 2020, on our consideration of NEWCAP, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of NEWCAP, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering NEWCAP, Inc.'s internal control over financial reporting and compliance.

NEWCAP, Inc. and Subsidiary

Notes to Consolidated Financial Statements

Note 1: Summary of Significant Accounting Policies

Nature of Operations

NEWCAP, Inc. (NEWCAP) was organized as nonprofit corporation in 1965. NEWCAP was formed to develop and provide resources for the purpose of assisting low-income individuals through a variety of programs throughout Northeast Wisconsin. NEWCAP is primarily supported through federal and state government grants. Approximately 35% of NEWCAP's revenue was received directly from the Wisconsin Department of Administration for its weatherization and emergency furnace programs.

NEWCAP formed NEWCAP Village on Water, LLC to acquire a 51% ownership in The Village on Water MM, LLC. The Village on Water MM, LLC was established to manage a low-income housing tax credit project. There was no significant activity for the entity in 2019.

Basis of Presentation

The consolidated financial statements are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States.

Principles of Consolidation

The consolidated financial statements include the accounts of NEWCAP, and NEWCAP Village on Water LLC, (the "Organizations"). All material intercompany transactions and accounts are eliminated in the consolidation.

Classification of Net Assets

Net assets and revenue, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organizations and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions - Net assets subject to donor or certain grantor imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other explicit donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor imposed restrictions are released when a restriction expires, that is when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Cash and Cash Equivalents

For purposes of the consolidated statement of cash flows, the Organizations consider all checking and money market accounts to be cash and cash equivalents.

NEWCAP, Inc. and Subsidiary

Notes to Consolidated Financial Statements

Note 1: Summary of Significant Accounting Policies (Continued)

Use of Estimates

The preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Revenue Recognition

Contributions are recognized when the donor makes an unconditional promise to give to the Organizations. Contributions received are recorded as with or without donor restrictions, depending on the existence and nature of any donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified as net assets without donor restrictions and reported in the consolidated statement of activities as net assets released from restrictions. If a restriction is satisfied in the year the contribution is received, the contribution is recorded as revenue without donor restrictions.

Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional.

Program income represents amounts contributed by program beneficiaries. The contributions are to help defray the cost of the specific program in which the beneficiary received assistance.

Rental income represents income received from various sources for use of property or space owned by the Organizations. This income is recognized in the period in which it is earned.

Grants are either recorded as contributions or exchange transactions based on criteria contained in the grant award.

A. Grant Awards That Are Contributions

Grants that qualify as contributions are recorded as invoiced to the funding sources. Revenue is recognized in the accounting period when the related allowable expenses are incurred. Amounts received in excess of expenses are reflected as grant funds received in advance.

B. Grant Awards That Are Exchange Transactions

Exchange transactions reimburse based on a predetermined rate for services performed. The revenue is recognized in the period the service is performed.

Accounts Receivable and Accounts Receivable, Related Party

Accounts receivable represent amounts due from entities for various services performed by the Organizations. Accounts receivable are stated at the amount management expects to collect from balances outstanding at year-end. Based on history with customers having outstanding balances and current relationships with them, management has concluded that the accounts are collectible. Therefore, no allowance has been recorded as of December 31, 2019.

NEWCAP, Inc. and Subsidiary

Notes to Consolidated Financial Statements

Note 1: Summary of Significant Accounting Policies (Continued)

Inventory

Inventory consists of weatherization materials and clinic supplies. Inventories are stated at the lower of cost or net realizable value. Net realizable value is the estimated selling price in the ordinary course of business, less reasonably predictable costs of completion, disposal, and transportation. Weatherization materials are expensed in the accounting period when the unit weatherized is claimed as a completed unit. A completed unit is a dwelling unit that has received weatherization services within the limits established in the weatherization contract, the final inspection has been performed and the owner sign off obtained.

Loans Receivable

NEWCAP operates three loan funds that provide assistance to low-income homeowners and vehicle assistance to participants in NEWCAP's service area, and loans to a related party for the construction of a low-income housing tax credit property. The assistance provided is recorded as a receivable and temporarily restricted net assets. Any loans subsequently repaid will reduce the loan receivable and provide funds for loans or other assistance to other eligible participants.

Management has the intent and ability to hold all loans for the foreseeable future or until maturity or pay-off. Management has reported the loans at their outstanding unpaid principal balances adjusted for charge-offs and the allowance for expected loan losses. Loan origination fees, net of certain direct origination costs are recognized as income or expense when received or incurred since capitalization of these fees or costs would not have a significant impact on the consolidated financial statements.

The allowance for loan losses is a valuation allowance for probable incurred credit losses based on an evaluation of the outstanding loans. Loan losses are charged against the allowance when management believes the collectability of the principal is unlikely. Subsequent recoveries, if any, are credited to the allowance.

Management regularly evaluates the allowance for loan losses taking into consideration such factors as historical loss experience, changes in the nature and volume of the loan portfolio, overall portfolio quality, review of specific problem loans, and current economic conditions that may affect the borrower's ability to pay. A loan is considered impaired when, based on current information and events, it is probable that NEWCAP will be unable to collect the scheduled payments of principal when due according to the contractual terms of the loan agreement. Factors considered by management in determining impairment include payment status, collateral value, and the probability of collecting scheduled payments when due. Loans that experience insignificant payment delays and payment shortfalls generally are not classified as impaired. Management determines the significance of payment delays and payment shortfalls on a case-by-case basis, taking into consideration all of the circumstances surrounding the loan and the borrower, including the length of the delay, the reasons for the delay, the borrower's prior payment record, and the amount of the shortfall in relation to the principal and interest owed. Impairment is measured on a loan-by-loan basis by either the present value of expected future cash flows discounted at the loan's effective interest rate, the loan's obtainable market price, or the fair value of the collateral if the loan is collateral dependent.

NEWCAP, Inc. and Subsidiary

Notes to Consolidated Financial Statements

Note 1: Summary of Significant Accounting Policies (Continued)

Loans Receivable (Continued)

NEWCAP has the following types of loans receivable:

HOME Loans Receivable

NEWCAP received HOME grant awards to help low-income homebuyers for down payment assistance, closing costs or to bring their homes up to housing quality standards. Assistance is in the form of a no-interest deferred loan. The loan is payable at the earliest of debt refinancing, the sale, transfer, or reassignment of the property or death of the participant. In most cases, NEWCAP is the second or third mortgagee. Any loans repaid must be used for similar activity. HOME loans receivable are discounted to their net present value at a 4.25% discount rate and are stated at the amount of unpaid principal.

WETAP Loans Receivable

NEWCAP operates a revolving loan program to provide loans to eligible individuals for the purchase or repair of vehicles. The loans are to be repaid monthly or are to be repaid when the property is sold or changes title. Any funds repaid must be used in accordance with the original grant agreement. The loans are non-interest-bearing and due to the short-term nature of these loans, they have not been discounted to their net present value as the discount would be immaterial.

Loans Receivable, Related Party

Loans made to The Village on Water, LLC (The Village) are recorded as loans receivable at the amount of unpaid principal. Collateral is a subordinated position on the rental property. Management evaluates the collectability of loans receivable based on the financial condition of the company.

Property and Equipment

Property and equipment are recorded at cost and depreciated using the straight-line method over the estimated useful life of the asset. The Organizations capitalize property and equipment purchased with a cost greater than \$5,000 and a useful life of more than one year. Donations of property and equipment are recorded at their estimated fair value. The donation is reported as net assets without donor restrictions unless the donor has restricted the donated asset to a specific purpose. If there are no donor restrictions regarding how long a donated asset must be maintained, the Organizations report expirations of donor restrictions when the donated assets are placed in service.

Property and equipment purchased with grant funds are owned by the Organizations while used in the program for which they were purchased or in other future authorized programs. However, the various funding sources have a reversionary interest in the property and equipment purchased with grant funds. Their disposition, as well as the ownership of any proceeds therefrom, is subject to funding source regulations.

Income Taxes

NEWCAP is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. It is also exempt from Wisconsin franchise and income tax.

NEWCAP, Inc. and Subsidiary

Notes to Consolidated Financial Statements

Note 1: Summary of Significant Accounting Policies (Continued)

Income Taxes (Continued)

Newcap Village on Water, LLC is a wholly owned subsidiary that is treated as disregarded entity for tax purposes. The activity of the LLC is included in NEWCAP's tax return.

The Organizations are required to assess whether it is more likely than not that a tax position will be sustained upon examination on the technical merits of the position assuming the taxing authority has full knowledge of all information. If the tax position does not meet the more likely than not recognition threshold, the benefit of that position is not recognized in the financial statements. The Organizations have determined there are no amounts to record as assets or liabilities related to uncertain tax positions.

Functional Allocation of Costs

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Personnel costs are allocated based on time and effort reporting. Occupancy and related costs are allocated based on square footage.

Change in Accounting Policy

In 2018, the FASB issued ASU No. 2018-08, *Not-For-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. The Amendments in the Update assist entities in evaluating whether transactions should be accounted for as contributions (nonreciprocal transactions) subject to Subtopic 958-605 or as exchange (reciprocal) transactions subject to Accounting Standards Codification 606 and determining whether a transaction is conditional. The contribution guidance in Subtopic 958-605 requires an entity to determine whether a transaction is conditional, which affects the timing of the revenue recognized. The Organizations have applied the amendments in this ASU as of January 1, 2019 on a modified retrospective basis. There was no change in opening balances of net assets and no prior period results were restated.

New Accounting Pronouncements

In May 2014, the FASB issued ASU No. 2014-09, *Revenue From Contracts With Customers (Topic 606)*. This ASU, as amended, provides comprehensive guidance on the recognition of revenue from customers arising from the transfer of goods and services, guidance on accounting for certain contract costs, and new disclosures. The new standard supersedes current revenue recognition requirements in FASB Accounting Standards Codification (ASC) Topic 605, Revenue Recognition, and most industry-specific guidance. When adopted, the amendments in the ASU must be applied using one of two retrospective methods. ASU No. 2014-09 is effective for nonpublic companies for annual periods beginning after December 15, 2018. On June 3, 2020, FASB issued ASU 2020, ASU No. 2020-05, *Revenue from Contracts with Customers (Topic 606)* that extended the effective date for certain entities to annual periods beginning after December 15, 2019. The Organizations are currently evaluating the impact of the provisions of ASU Topic 606.

NEWCAP, Inc. and Subsidiary

Notes to Consolidated Financial Statements

Note 1: Summary of Significant Accounting Policies (Continued)

New Accounting Pronouncements (Continued)

In 2016, the FASB issued ASU No. 2016-02, *Leases (Topic 842)*, which is intended to improve financial reporting on leasing transactions. ASU No. 2016-02 will require lessees to recognize right of use assets and lease obligations for operating and finance leases under terms greater than 12 months. ASU No. 2016-02 is effective for fiscal years beginning after December 15, 2019, with early adoption permitted. ASU No. 2016-02 must be applied modified retrospectively. The Organizations are currently evaluating the impact of the provisions of ASU Topic 842. On June 3, 2020, FASB issued ASU 2020, ASU No. 2016-12, *Leases (Topic 842)* that extended the effective date for certain entities to annual periods beginning after December 15, 2020. The Organizations are currently evaluating the impact of the provisions of ASU Topic 842.

Note 2: Concentration of Credit Risk

The Organizations maintain their cash balances at two financial institutions. Balances in the bank accounts are insured by Federal Deposit Insurance Corporation (FDIC) coverage up to \$250,000 at each financial institution. At times during the year, balances in these accounts may exceed the insurance limits. Management believes the financial institutions have a strong credit rating and credit risk related to these deposits is minimal.

Note 3: Liquidity and Availability

Financial assets available for general expenditure, that is, without donor or other restrictions or designations limiting their use, within twelve months of the statement of financial position date, comprise the following as of December 31, 2019:

Cash and cash equivalents	\$ 882,627
Grants and other receivables, to be collected in less than one year	446,867
Subtotal financial assets	1,329,494
Less: Grant funds received in advance, included in cash and cash equivalents	(147,499)
Less: Net assets with donor restrictions included in cash and cash equivalents	(831,821)
<u>Total financial assets available</u>	<u>\$ 350,174</u>

The Organizations do not have a formal liquidity policy but generally maintains financial assets in liquid form such as cash and cash equivalents for approximately 2 weeks to 1 month of operating expenses. Newcap, Inc. can rely on a lower cash balance as it is primarily funded with cost reimbursement grants. Under cost reimbursement grants, once expenses are incurred, an organization can request reimbursement from the funding source. Newcap, Inc. also has a \$200,000 line of credit available for liquidity needs.

Note 4: Grants Receivable

This balance consists of amounts due from various agencies as follows:

State programs	\$ 182,214
Other programs	129,831
<u>Total grants receivable</u>	<u>\$ 312,045</u>

NEWCAP, Inc. and Subsidiary

Notes to Consolidated Financial Statements

Note 5: WETAP and HOME Loans Receivable

The WETAP and HOME loans receivable consists of the following:

NEWCAP received a Mobility grant from the WDOT to provide for no-interest loans to income-eligible families for the purchase or repair of vehicles. The loans are collateralized by the vehicles.

\$ 226,770

NEWCAP received HOME Rehabilitation grants from WDOA and HCRI grants from WHEDA to provide for no-interest deferred loans to income-eligible families for rehabilitation costs and energy related repair costs. These loans are deferred until the property is sold or is no longer the homeowner's principal residence. Sale or transfer of the property will require full repayment of the loan. The loans receivable balance is collateralized by the real estate.

3,267,570

WETAP and HOME loans receivable 3,494,340

Allowance for loan losses (511,103)

Expected revolving loans to be received 2,983,237

Discounted at 4.25% (1,351,500)

WETAP and HOME loans receivable, net \$ 1,631,737

The unamortized discount is the difference between the face amount of the loan receivable and its present value discounted at a compound interest rate. This discount is then amortized over the life of the loan.

Loan classifications at December 31, 2019, consist of the following:

Vehicle loans \$ 210,667

Housing loans 1,421,070

Subtotals \$ 1,631,737

Allowance for loan loss – Vehicle loans \$ 16,103

Allowance for loan loss – Housing loans 495,000

Allowance for loan loss – Total \$ 511,103

An analysis of the allowance for loan losses for the year ended December 31, 2019, is as follows:

	Vehicle Loans	Housing Loans	Total
Balance at beginning of year	\$ 16,103	\$ 384,000	\$ 400,103
Loans charged off	(2,780)	0	(2,780)
Provision for loan losses	2,780	111,000	113,780
<u>Balance at end of year</u>	<u>\$ 16,103</u>	<u>\$ 495,000</u>	<u>\$ 511,103</u>

NEWCAP, Inc. and Subsidiary

Notes to Consolidated Financial Statements

Note 5: WETAP and HOME Loans Receivable (Continued)

Detailed analysis of loans evaluated for impairment as of December 31, 2019, is as follows:

	Vehicle Loans	Housing Loans	Total
Loans:			
Individually evaluated for impairment	\$ 0	\$ 0	\$ 0
Collectively evaluated for impairment	226,770	3,267,570	3,494,340
Balance at end of year	\$ 226,770	\$ 3,267,570	\$ 3,494,340

Information regarding the credit quality indicators most closely monitored by class of loan as of December 31, 2019, is as follows:

	Performing	Non-performing	Total
Vehicle loans	\$ 226,770	\$ 0	\$ 226,770
Housing loans	3,267,570	0	3,267,570
Balance at end of year	\$ 3,494,340	\$ 0	\$ 3,494,340

Housing loans are not required to be repaid unless the home is sold. When, for economic or legal reasons related to the borrower's financial difficulties, NEWCAP grants a concession to the borrower that NEWCAP would not otherwise consider, the modified loan is classified as a troubled debt restructuring. Loan modifications may consist of forgiveness of interest and/or principal, a reduction of the interest rate, interest-only payments for a period of time, and/or extending amortization terms. At December 31, 2019, there are no troubled debt restructured loans.

Note 6: Related Party Transactions - Loans Receivable from LLC

NEWCAP formed two limited liability corporations for the development and management of a low-income housing project in the City of Marinette.

The Village on Water MM, LLC

The Village on Water MM, LLC (Managing Member) was formed on November 14, 2011 to manage the low-income housing project. NEWCAP is a member of The Managing Member. The Managing Member is owned as follows:

NEWCAP Village on the Water, LLC	51.00%
Commonwealth Management Corporation	49.00%
Total	100.00%

NEWCAP, Inc. and Subsidiary

Notes to Consolidated Financial Statements

Note 6: Related Party Transactions - Loans Receivable from LLC (Continued)

Profits and losses will be shall be allocated as follows:

NEWCAP	15.00%
Commonwealth Management Corporation	85.00%
<hr/>	
Total	100.00%

The Village on Water, LLC

The Village on Water, LLC (The Village) was formed on November 14, 2011, to develop the low-income housing project. The Village is owned as follows:

NEWCAP - HOME Managing Member	0.00%
USA Village on Water, LLC - Investor Member	99.99%
The Village on Water MM, LLC - Managing Member	0.01%
<hr/>	
Total	100.00%

The Village constructed 48 units of multifamily apartments in Marinette, Wisconsin. In accordance with the terms of the HOME program award (#RHD-1129), one unit is affordable to households at or below 30% of the County Median Income (CMI), ten of the units are affordable to households at or below 50% of CMI. The affordability requirement for the project is to be maintained for 20 years.

NEWCAP received a HOME Rental Housing Development grant award from the State of Wisconsin, Department of Administration. The grant was for \$517,275, of which \$470,250 was project funds and \$47,025 was operational funding. The funds were awarded to NEWCAP as a Community Housing Development Organization (CHDO) for the development of 11 affordable housing units for low-income in The Village.

The \$470,250 was loaned to the project at a 1% interest rate. Interest is due April 1 each year and subject to the availability of cash flow. Interest not paid each year is due at the end of the loan. As of December 31, 2019, \$470,250 of the project funds has been loaned to The Village. The loan principal and any unpaid interest are to be paid on April 1, 2043. NEWCAP may use the repaid loan funds for other housing projects. No allowance for uncollectible receivables has been recorded as of December 31, 2019.

In addition, NEWCAP received an Affordable Housing Program (AHP) subsidy from the Federal Home Loan Bank of Chicago in the amount of \$408,000. The subsidy has a 15-year retention period. NEWCAP loaned the funds to The Village at 0% interest. The loan principal is to be paid on December 1, 2042. If not paid at maturity, it will bear a 4% interest rate. No allowance for uncollectible receivables has been recorded as of December 31, 2019. The loans receivable from The Village consist of the following:

HOME funds	\$	470,250
AHP funds		408,000
<hr/>		
Total loans receivable from LLC	\$	878,250

NEWCAP, Inc. and Subsidiary

Notes to Consolidated Financial Statements

Note 6: Related Party Transactions - Loans Receivable from LLC (Continued)

All of the notes receivable listed above are considered in the housing development class for evaluation purposes. NEWCAP regularly evaluates various attributes of loans to determine the appropriateness of the allowance for uncollectible amounts. This class of loans is generally evaluated based on the performance of the partnership and whether the loans are performing with the contractual terms of the agreement. NEWCAP has not identified any housing development loans that are nonperforming. Due to the uncertainty of the payment, NEWCAP has identified these loans as nonaccrual loans; therefore, no interest receivable has been recorded. NEWCAP has not had to grant any concessions to borrowers as troubled debt restructuring due to financial difficulties and has not individually evaluated certain loans for impairment.

Note 7: Property and Equipment

A summary of property and equipment is as follows:

Land	\$ 261,015
Buildings and improvements	\$ 3,724,093
<u>Equipment</u>	<u>\$ 724,018</u>
Total	4,709,126
<u>Accumulated depreciation</u>	<u>(1,864,607)</u>
<u>Property and equipment, net</u>	<u>\$ 2,844,519</u>

NEWCAP entered into a restrictive covenant agreement with the U.S. Department of Housing and Urban Development (HUD) for the purchase of a building with HUD monies. The restrictive covenant requires NEWCAP to operate the property as permanent housing and provide supportive services to the homeless on the property for a period of 15 years starting on the date of initial occupancy. The amount used for purchase and rehabilitation of the property was \$91,754 as of December 31, 2019. The 15 year term expires in 2033.

Note 8: Inventory

A summary of inventory is as follows:

Jobs in progress	\$ 104,058
Nonexpendable inventory	95,825
<u>Expendable inventory</u>	<u>626</u>
Total weatherization inventory	200,509
<u>Clinic inventory</u>	<u>29,278</u>
<u>Total inventory</u>	<u>\$ 229,787</u>

Note 9: Loans Payable

A summary of loans payable is as follows:

Affordable Housing Program subsidy from the Federal Home Loan Bank of Chicago. The subsidy has a 15-year retention period. The note bears interest at 0% and principal and interest is repayable upon sale of the property during the retention period.

\$ 408,000

NEWCAP, Inc. and Subsidiary

Notes to Consolidated Financial Statements

Note 9: Loans Payable (Continued)

Loan payable to Huntington Bank at 4.25% interest with monthly payments of \$4,731. There is a 5% prepayment penalty in year one and is reduced by 1% for each subsequent year. Rent is assigned on certain properties and the loan is collateralized by those properties and is due November 2021. 680,893

Loan payable to Huntington Bank at 5% interest with monthly payments of \$1,229. The loan collateralized by building on Capitol Drive in Green Bay and matures April 2022. 33,442

Line of credit refinanced in March 2020 as a loan payable to Huntington Bank at 5% interest with monthly payments of \$2,096. There is a 5% prepayment penalty in year one and is reduced by 1% for each subsequent year. Loan is collateralized by properties and is due February 2025. 191,000

Total loans payable	1,313,335
Current portion	(53,673)
<u>Total loans payable</u>	<u>\$ 1,259,662</u>

Future loan maturities, including the line of credit under refinanced terms, are as follows:

2020	\$ 53,673
2021	680,397
2022	24,538
2023	17,321
2024	18,291
Thereafter	519,115
<u>Total</u>	<u>\$ 1,313,335</u>

Note 10: Line of Credit

NEWCAP has a \$200,000 revolving line of credit, secured by substantially all assets of the organization, at a variable interest rate equal to the lenders prime commercial rate plus .75% (rate at 5.5% at December 31, 2019). As of December 31, 2019, the balance was \$191,000. The line of credit matured February 2020 and was refinanced into a term note payable and the balance is included in Note 9 above.

Note 11: Operating Leases

NEWCAP leases various facilities and equipment for operation of its programs that expire at various times through 2022. Rent and lease expense for the year ended December 31, 2019, was \$73,309. Future minimum lease payments on leases having terms beyond December 31, 2019, are as follows

2020	\$ 60,516
2021	40,796
<u>2022</u>	<u>12,702</u>
<u>Total</u>	<u>\$ 114,014</u>

NEWCAP, Inc. and Subsidiary

Notes to Consolidated Financial Statements

Note 12: Net Assets With Donor Restrictions

The net assets with donor restrictions consist of the following:

Family planning	\$	17,394
Housing program		2,282,548
Transportation and auto loans		633,866
<hr/>		
Total net assets with donor restrictions	\$	2,933,808

Note 13: Grant Awards

At December 31, 2019, NEWCAP had commitments under various grants of approximately \$4,092,000. These commitments are not recognized in the accompanying consolidated financial statements as they are conditional awards.

Note 14: Retirement Plan

NEWCAP has a defined contribution retirement plan authorized under Section 403(b) of the Internal Revenue Code. The plan is open to all employees who have been employed for nine months and who work a minimum of 1,560 hours per year. The plan requires that NEWCAP match 3% of gross wages for every qualified employee that contributes at least 3% of gross wages. The plan also provides that NEWCAP can make additional contributions at the discretion of the Board of Directors. The retirement benefits vest immediately. The employer's contribution for the year ended December 31, 2019 was \$93,300.

Note 15: Commitments and Contingencies

NEWCAP receives a significant portion of their source of funds from federal, state, and local government funding. As such, NEWCAP is subject to the administrative directives, rules, and regulations of federal, state, and local regulatory agencies. NEWCAP is also subject to funding source monitoring in relation to program compliance with grants and contracts. These monitoring reports from time-to-time may identify practices for which costs might be repayable to the funding source. Any potential liability for reimbursement, which may arise as a result of such audits, is not believed, by NEWCAP's management, to be material.

NEWCAP is subject to various claims and legal matters arising in the normal course of business. In the opinion of management, all such matters are adequately covered by insurance and, if not so covered, are without merit or would not have a material adverse effect on the financial statements if an unfavorable settlement was reached.

Note 16: Subsequent Event

Subsequent events have been evaluated through July 24, 2020, which is the date the financial statements were available to be issued. Beginning in March 2020, the United States economy began suffering adverse effects from the COVID-19 crisis including financial markets, supply chains, businesses, and communities. Specific to NEWCAP, COVID-19 may impact various parts of its 2020 operations and financial results. Management believes NEWCAP is taking appropriate actions to mitigate the negative impact. However, the full impact of COVID-19 is unknown and cannot be reasonably estimated as these events occurred subsequent to year-end and are still developing.

Notes to Schedule of Expenditures of Federal and State Awards

Note 1 - Basis of Presentation

The accompanying schedule of expenditures of federal and state awards (the "Schedule") includes the federal and state activity of NEWCAP, Inc. under programs of the federal, state and local government for the year ended December 31, 2017. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) and the Wisconsin State Single Audit Guidelines. Because the schedule presents only a selected portion of the operations of NEWCAP, Inc., it is not intended to and does not present the financial position, changes in net assets or cash flows of NEWCAP, Inc.

Note 2 - Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Pass-through entity identifying numbers are presented where available.

Note 3 - Indirect Cost Rate

NEWCAP, Inc. has not elected to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

Independent Auditor’s Report on Internal Control Over Financial Reporting and on Compliance and Other Matters

Board of Directors
NEWCAP, Inc.
Oconto, Wisconsin

We have audited, in accordance with the auditing standards generally accepted in the United States and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of NEWCAP, Inc. and Subsidiary (the “Organizations”), which comprise the consolidated statement of financial position as of December 31, 2019, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated July 24, 2020. The financial statements of Newcap Village on Water, LLC was not audited in accordance with *Government Auditing Standards* as the entity did not receive federal funding and accordingly this report does not include reporting on internal control over financial reporting or instances of reportable noncompliance associated with these entities.

Internal Control over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered NEWCAP, Inc.’s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of NEWCAP, Inc.’s internal control. Accordingly, we do not express an opinion on the effectiveness of NEWCAP, Inc.’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether NEWCAP, Inc.'s consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of consolidated financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance, and the results of that testing, and not to provide an opinion on the effectiveness of NEWCAP, Inc.'s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the NEWCAP, Inc.'s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

July 24, 2020
Madison, Wisconsin

Independent Auditor's Report on Compliance for Each Major Federal and State Program and on Internal Control Over Compliance

Board of Directors
NEWCAP, Inc.
Oconto, Wisconsin

Report on Compliance for Each Major Federal and State Program

We have audited NEWCAP, Inc.'s compliance with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Compliance Supplement* and the *State Single Audit Guidelines*, issued by the Wisconsin Department of Administration, that could have a direct and material effect on each of NEWCAP, Inc.'s major federal and state programs for the year ended December 31, 2019. NEWCAP, Inc.'s major federal and state programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility for Compliance

Management is responsible for compliance with statutes, regulations, and the terms and conditions of its grant awards applicable to its federal and state programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of NEWCAP, Inc.'s major federal and state programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and the *State Single Audit Guidelines*, issued by the Wisconsin Department of Administration. Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal and state program occurred. An audit includes examining, on a test basis, evidence about NEWCAP, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our qualified opinion on compliance for each major federal and state program. However, our audit does not provide a legal determination of NEWCAP, Inc.'s compliance.

Opinion

In our opinion, NEWCAP, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal and state programs for the year ended December 31, 2019.

Report on Internal Control over Compliance

Management of NEWCAP, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered NEWCAP, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal and state program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal and state program and to test and report on internal control over compliance in accordance with the Uniform Guidance and *State Single Audit Guidelines*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of NEWCAP, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal or state program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal or state program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal or state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and *State Single Audit Guidelines*. Accordingly, this report is not suitable for any other purpose.
